Overview

This document describes new features and functionality in SAP Strategy Management 10.1.

For information on installing and using SAP Strategy Management, see the documentation available on the SAP Help Portal at <http://help.sap.com/bosm101>.

Enhancements

- New HTML 5 Web user interface
 - The new look and feel of the user interface includes, for example, active links at the top of the page that have replaced the tabs in prior versions. You can also change your user preferences and choose a theme to customize the display of the application, and set startup options.
 - Benefit: Increased ease of use and productivity
- Right-to-left language support for Arabic and Hebrew
 - Benefit: Greater usability for more regions and users
- Enriched reporting and dashboard functions
 - Benefits:
 - Better visibility into performance against goals, initiatives, and KPIs
 - Improved collaborative analysis and decision making
- Improved briefing book management
